The Honorable Frank LoBiondo
Member of Congress
2427 Rayburn House Office Building
Washington, DC 20515

Dear Congressman LoBiondo:

First and foremost, thank you for your longstanding interest and support of AtlantiCare, particularly for the patients whom we serve.

I am writing to request federal appropriations in support of our priority initiatives for Fiscal Year 2010 including the AtlantiCare Special Care Center and our Inpatient Psychiatric Unit Relocation Program. These initiatives are consistent with our national priorities in health care and, most importantly, will provide very real improvements in health care for the people of your district.

Enclosed please find all the appropriate paperwork and forms in support of our requests. Please let me know if you need additional information and, as always, we would welcome you visiting with us to see the need for these programs firsthand.

Thank you in advance for your consideration of our requests. We are mindful of the many demands for limited resources and we are most grateful for your care and consideration of AtlantiCare's requests.

Sincerely,
